2024 Fee Schedule

Updated 7-16-2024

| <u>Self-Pay Only Services</u> | | |
|--------------------------------------|---|-----------------------------|
| <u>Service</u> | <u>Description</u> | <u>Self-Pay Rate</u> |
| Virtual Group | We offer a variety of virtual groups focusing on different skill sets. Group size is always limited to allow for attention and interaction to be provided to each participant. Younger ages do require parent participation. | \$10 & up |
| On-Site Group | To Be Determined | TBD |
| Developmental Screening | 30-minute screening, virtual or in-person, to provide suggestions and determine if additional evaluation is warranted | \$50 |
| Parent/Caregiver Consult | In-person, phone, or video chat. Parent/Caregiver consultations are available to answer in-depth questions, provide additional insight, and more. | \$30/0.5 hour \$50/hour |
| Ergonomics Evaluation & Consultation | Up to 1-hour evaluation with a report to assess ergonomics in your environment. Also includes a 30-minute video conference to review report and findings, along with suggestions to make your environment more ergonomically friendly to help avoid overuse and repetitive use injuries and challenges. | \$175 |
| Infant Massage Session | Learn the practice of infant massage to help nurture your bond with your baby and improve their ability to self-regulate. Includes hands-on demonstration and practice, as well as handouts for use on your own. <i>Choose your session type:</i> | |
| | 1 hour session in-person within 20 miles of Whitehall, PA | \$125 |
| | 1 hour session virtually | \$100 |
